All about the Learning

4 Compass points

Maps

6 Keys

NLP Practitioner in Education

All about the Learning participants say

“Many thanks for great training and I hope that you continue to change peoples lives the way you changed mine and the way I interact with people “
Duncan, IOW College

“Inspirational, motivational, energising. Really, really good”
Carol, West Suffolk College

All about the Learning

Begin the journey with **4 compass points** modules to navigate and explore the essential routes to manage learning.

Maps modules continue to steer you on your way to excellence.

These modules provides **4 days training in total**

Start the journey wherever you like with any combination of these modules. We will ensure that each day is mapped out so it flows smoothly from one module to the next, making the links and building on the experiences of the participants.

4 Compass Points modules:

Managing your Style:

- Create positive Learning States for your students
- Develop flexibility in your Teaching styles

Managing the Classroom:

- Create the right environment for learning.
- Use Words and Voice to manage classrooms

Managing the Content:

- Processes to liven up Learning
- Engage learning and use metaphors to embed learning

Managing Relationships with Learners:

- Build rapport and work with values to gain commitment.
- Develop confidence and competence to build self-belief

Maps modules:

Motivation for Learning:

- Design ‘PURE’ outcomes for learning and learners
- Explore Models for unlocking motivation
- Unlock motivation through Values

Assessment for Learning:

- Strategies and tools, Questioning skills, Feedback
- Advanced questioning skills for stretch and challenge

Personalising Learning:

- Apply learning styles and strategies effectively for learning
- Distinguish teacher style v learning style
- Make Kolb practical with the 4Mat system

Self/State Management:

- Create great states for teaching, anchor the states you want for teaching/learning
- Further develop rapport for pacing and leading learning

All about the Learning

On completion of 4 Compass Points and MAPS modules, staff have the opportunity to unlock learning even more fully with our **6 Keys**. A further **2 days** of inspiration for staff who are hungry for more.

Ultimately for real adventurers there is the opportunity to gain an internationally recognised qualification **NLP Practitioner in Education (SNLP)**, our **2 day** concluding module. An exciting culmination of your journey that's All about Learning.

6 Keys:

The Right State

- Make learning Bigger Easier and Faster by putting the 6 keys into practice
- Apply your knowledge of state management to the learning environment
- Create the big picture of the learning interactively
- Develop metacognition in your learners through questioning and Reflection

The Right Presentation

Think About

Activate to Draw Out

Apply It

Review, Evaluate, Celebrate

- Activate the learning through engaging activities
 - Apply the learning for long term retention
 - Effectively review and celebrate learning
- Also
- Explore the latest research into learning and apply it immediately and directly to your classroom
 - Understand the basics of learning strategies to correct poor learning and to stretch and challenge

NLP Practitioner in Education (SNLP):

- Explore the language patterns of NLP and how to use them to create enthusiasm and commitment for learning
- Utilise Meta Model questions to empower 121 tutorials
- Learn the techniques of NLP for rapid change
- Be able to overcome limiting beliefs about learning and raise self belief
- Elicit and Install strategies for effective learning
- Design strategies for creative learning
- Create generative learning, so that learning continues with propulsion beyond the teaching, beyond the door, after the session

Meta

All about the Learning
